ADDENDUM ONE (1)

RE: RFP 735-22-4367 IDIQ Fire Sprinkler & Standpipe Inspections/Tests, Periodic Maint./Repair Svcs

TO WHOM IT MAY CONCERN,

The following question was submitted and received the following response.

1. In section 7.12 of the IDIQ asks for the social security number of owners with more than 25%. Since we don't have any owners with more than 25%, can we just put down our EIN? [If you don't have anyone maintaining an ownership interest of 25% or more of your business, you can simple note "N/A" or "Not Applicable"](#).
2. Can we get some clarification on page 26 on the request for bid form. I am not familiar with a PIN number. Could it be the same as the TIN number? [The Payee Identification Number \(PIN\) and Texas Identification Number \(TIN\) are interchangeable. In almost all cases, payees are required to provide \(1\) one of these nine-digit identification numbers to obtain a TIN:](#)
 - Federal employer identification number **(EIN)**
 - Social Security Number **(SSN)**
 - Individual Taxpayer Identification Number **(ITIN)**

[For the purposes of this solicitation, any of the above referenced numbers that are available and apply to the respondent are acceptable.](#)

The deadline for additional questions has passed. No additional questions will be accepted at this time.
