ADDENDUM ONE (1)

RE: RFP 735-22-7022 Laboratory Stools & Chairs

TO WHOM IT MAY CONCERN,

The following questions were submitted and received the following responses (in blue):

- Would you be able to tell me if these stools are going to one location or will they be spread out a multiple locations on the campus? *These will be going in about 5 separate laboratories, but they are in the same building, Bolin Science Hall.*
- I want to be able to provide the best option for your request, can you provide a picture of the stool or chair with a product number/manufacturer number. Most stools and chair have a 250 lbs. capacity. *We do not have a specific product number/ manufacturer number. Offerings should meet the minimum specifications listed in 6.2 Specification & Scope of Work.*

Please remember to acknowledge this addendum on the Addenda Checklist.
