Signed Drawings Required To Process Order

Project Name: MSU
Project #: V162848
Phase #: 01
Rev: N

(Signature)  (Date)
See Cover Page For Terms and Conditions
**Design Considerations:**

* 19”, 25, & 31” tops available.
* Solid surface tops that exceed 144” or form an “L” shape will be sent as multiple pieces and require field seaming by a licensed solid surface installer.
* Integrated sinks and chutes will be attached.
* Midmark will only provide the sink and faucet cut outs if sink and faucet are purchased from Midmark.
* Solid surface tops will be manufactured based on the field measurements provided at the time of order.
* Contingent on design, side splash depth next to tall towers and drop down Ultra Sonic areas will be shorter than top.
* Standard countertop overhang for base cabinets is 1/2”.
* Dental undermount sinks will be attached.

**Material:** 1/2” thick solid surface, 1-1/2” thick top with 1” thick, by 2.5” tall integrated backsplash, total height 4”.

**Brands:** DuPont Corian

**Colors:** See color guide for standard color options; for non standard color options please call to confirm availability and extended leaded time.

**Features & Benefits:**

* 3/8” radius front edge profile.
* Outside corners of solid surface tops will have a 3/4” radius.
* Loose set on side splash available, contoured to fit profile, 1/2” thick with waterfall front.
* Integrated solid surface sink for Medical or Animal Health will be Cameo White; Dental sinks will be Glacier White.
* 1” thick set on backsplash.

---
