RE: RFP #735-20-8223 Clark Student Center Recreation Room Flooring Replacement & Alternates

TO WHOM IT MAY CONCERN:

The following questions had been received prior to the last day for questions deadline and received the following responses:

1. Would you please tell me what the estimated cost range is for the "Flooring Replacement and Alternates at Clark Student Center Recreation Room - Midwestern State University" project?
We estimate a total cost range between \$8-\$11 per square foot.
2. I would like to submit a substitution request for bidding purposes for the Clark Student Center Recreation Room Flooring and Alternates project?
No substitutions will be accepted.

Thank you,

Tracy Nichols
