## ADDENDUM TWO (2)

RE: RFP 735-2023-4382 Tunnel Repair Project

TO WHOM IT MAY CONCERN,

Please see the responses to the questions submitted below:

1. I see we missed the required pre-bid meeting. Are we excluded because the meeting was missed or is there another option? *Per the RFP the Pre-Bid was **Mandatory** and stated the date of the meeting was "October 31, 2023 (10:00 CT @ Bridwell Activity Center Rm 103), unless arrangement are made **prior to currently scheduled pre-bid**".* Unfortunately, due to these requirements, we would not be able to accept a response from your company. It was suggested you may be able to act as a sub for one of the generals, but you would have to negotiate that potential partnership.
2. Can you send me a list of qualified GC's that are bidding? *The only list available would be the Pre-Bid Meeting Sign-In Sheet which is posted with the solicitation on our webpage.*
3. Is there a link to a site to see any updated RFP's, RFI's ect? I was needing an updated RFP reflecting the revised bid due date. Also, access to the sign in sheet that was created prior to the meeting. *Any updates to the RFP, including the revised bid due dates, will be noted in an addendum. Addenda, including the sign-in sheet, can be found on our website (<https://msutexas.edu/purchasing/index.php>)*
4. I have a subcontractor inquiring about visiting the site for this project. Is this something you can help with or possibly connect me with the someone who can? *In an effort to avoid scheduling delays, no additional site visits will be scheduled, unless arrangement are made prior to currently scheduled pre-bid (10/31/2023).*

**Please note: The date for submitting questions has passed. No additional questions will receive a response.**

**Please remember to acknowledge this addendum on the Addenda Checklist.**
