The New Student Orientation requirement can be met by either of the following options:

1. Attending a New Student Orientation Session at MSU
   This is the option required for new incoming freshmen. The date of the session for Spring 2020 students is Thursday, January 16, 2020 from 9:00 a.m. – 12:00 p.m. Check-in will begin at 8:45 a.m. in the Clark Student Center Atrium.

2. Completing New Student Orientation Online
   This option is available to distance education students as well as new transfer students (a transfer student is defined at MSU as a student with 18 transferable college credit hours completed AFTER high school graduation).

The online modules for the New Student Orientation Online and the registration for the New Student Orientation at MSU will open in November 2019.

Note: A small number of MSU departments and organizations mandate attendance at their own, specific “orientation” programs in addition to New Student Orientation. These isolated “orientation” programs do not substitute for New Student Orientation.

IMPORTANT: Students will not be allowed to register unless approved TSI test scores are on file or proof of TSI exemption has been provided (see page 5).

Students must meet the meningitis immunization requirement or class schedules will be voided.

ORIENTATION AND EARLY REGISTRATION  
(November 12 – December 12; December 19 – January 12)

New and transfer students can participate in early registration for Spring 2020. TEXAS SUCCESS INITIATIVE (TSI)
The Texas Success Initiative (TSI) is a program which was developed by the 78th Texas State Legislature under which all undergraduate students (unless exempt*) must be tested for reading, writing, and mathematics skills prior to enrolling in any college-level course(s).

The TSI test for new students (or transfer students from private or out-of-state colleges) is the TSI Assessment.

*The former TSI tests of Accuplacer, Asset, Compass, or THEA/TASP, may still be able to be used for TSI purposes for former MSU students or transfer students from Texas public colleges who tested prior to August 24, 2013. Official scores should be sent to the MSU Registrar’s Office for determination.]

Students who fail a section(s) of a TSI test are required to test in developmental course(s) in that area. Some students may qualify for a Non-Course Based Option (NCBO), depending on score levels. Students can contact the Math or English departments for more details if interested in the NCBO option.

**IMPORTANT!** Students who do not have scores on file will not be allowed to register unless TSI exempt*. Therefore, students required to test should schedule an appointment for the TSI Assessment as soon as possible so that scores will be available in time for advising and registration. (Note: Students needing to take the TSI Assessment must first complete a Pre-Assessment Activity which can be found at: [https://www.tsipreview.com/welcome/midwestern-st-univ](https://www.tsipreview.com/welcome/midwestern-st-univ)

**Already taken the TSI Assessment elsewhere?** Complete the online TSI Assessment Score Release Form for us to download your TSI scores.

*TSI exemptions and additional information can be found at [http://www.msutexas.edu/registrar/success](http://www.msutexas.edu/registrar/success).

**NOTE:** TSI policies are subject to change due to action of the Legislature, Texas Higher Education Coordinating Board, and/or MSU Academic Council.

TSI students will be advised of their requirements by their academic advisors.

ACT and SAT TESTS
ACT and SAT tests must be taken by **BEGINNING FRESHMEN** under the age of 21 who have not previously submitted official ACT or SAT test scores with essay to MSU. **TRANSFER STUDENTS** under the age of 21 who have fewer than 18 non-developmental semester hours earned must also submit official ACT or SAT scores with essay. Students 21 years of age or over must take the ACT or SAT with essay if they do not meet other admission requirements. Testing should be completed prior to the admission application deadline of December 1, 2019.

RE-ENROLLING STUDENTS WITH ACADEMIC DEFICIENCIES

An ineligible student who nevertheless registers at the University will be withdrawn. The student shall not receive special consideration on the plea of lack of knowledge of academic status. Eligible students seeking early reinstatement from first or second academic suspension will receive appointment details regarding the committee meeting via email and letter. Students need to contact the Tutoring and Academic Support Program (TASP) office to meet with the Academic Readmissions Committee. No appeal for readmission will be granted after the committee meets prior to the Spring 2020 semester. Petition letters for Academic Readmissions Committee must be submitted by the date included in the correspondence. Refunds will be made in accordance with University policy. Please note that students must have all Business Office holds cleared before meeting with the committee. For questions about account holds, students should contact their advisor or the TASP office.

Students with questions about their academic status should refer to the catalog or contact the TASP office at (940) 397-4461 for an appointment to discuss further questions about academic status. Students are required to keep their contact information in WebWorld updated, as this is the information TASP uses for correspondence.

Students receiving financial aid who earn academic suspension/probation must also contact the Office of Financial Aid to determine whether their funding has been affected by their academic standing.

- Students residing in university housing who do not have housing charges on their accounts should go to the Housing Office to have the charges entered.
- Students are responsible for proofreading for enrollment errors.
- Errors noted after registering must be corrected during the drop/add period during the days/times listed on pages 6 and 8.
- Midwestern State University reserves the right to discontinue any scheduled course which does not have a sufficient number of enrollees to justify offering it.
- The University reserves the right to change instructors in classes when necessary.

ALTERNATIVES TO THE SCHEDULED TIME
REGISTERING BEFORE THE SCHEDULED TIME IS NOT PERMITTED!

Students should make arrangements in their personal or work schedules to allow them to conveniently register at their scheduled times. Students who cannot register at the time indicated may register at any time after their classification has passed, when registration is open. REGISTRATION BEFORE THE CLASSIFICATION SCHEDULE IS NOT PERMITTED AND MISSING CLASS TO REGISTER IS CONSIDERED AN UNEXCUSED ABSENCE.

Students may have another person register for them at their scheduled times if that is more convenient. Any person registering for another is required to pay the appropriate fees and have all necessary documents: validated MSU I.D. card, Mustangs I.D. number, driver's license, and advisor-approved schedule. CAUTION: To protect student privacy, PIN numbers should not be released to another person.

Concurrent Enrollment in Two Colleges or Universities

Students who will be enrolled at MSU and another college during the same term must complete the Request for Concurrent Enrollment form at http://www.msutexas.edu/registrar/concurrent. It is necessary for the tracking of satisfactory academic progress and the transferability of these courses back to MSU. An official transcript of all concurrent coursework must be sent to MSU immediately upon completion. Application for this program should be made by completing this form well in advance of registration because circumstances appropriate for concurrent enrollment are at the discretion of the advisor, chair, and dean.

Students who do not check with their degree program in advance of enrolling to see if credit is applicable to the degree risk taking courses for which no credit may be given. It is especially important to check with Leah Hickman in Admissions or Cathy Hoffman in the Office of the Registrar before enrolling in a Political Science or Government course.

FINANCIAL INFORMATION CONTINUED

Fees are subject to change in keeping with actions of the Texas State Legislature and/or the Midwestern State University Board of Regents.

All student accounts are subject to audit. Any fees due after an audit is conducted are the responsibility of the student. Likewise, if a student has a reduction in charges after an audit is completed, the student will be refunded accordingly.

SENATE BILL 1210

Effective Fall 2014, the Texas Legislature passed Senate Bill 1210 which requires Texas state exemption and/or waiver recipients to meet MSU’s Financial Aid Satisfactory Academic Progress (SAP) requirements and for males to have met selective service registration requirements. These SAP requirements include:

- A cumulative grade point average (CGPA) for Undergraduate and 2nd Baccalaureate must be 2.0, Graduate must be 3.0, and Teacher Certification must be 2.5; AND
- If you are in Excess Hours status, you may not be eligible for some exemptions.

If your Cumulative GPA is not meeting the SAP requirement, as indicated above, and/or you have exceeded the excess hours rule, you will not be eligible to receive your exemption and/or waiver for the Spring 2020 semester.

TUITION FOR REPEATED COURSES

Following action by the 78th Texas Legislature, universities no longer receive formula funding for semester credit hours attempted by students who have enrolled in any course(s), other than non-degree-credit developmental course(s), containing the same content three or more times since the Fall semester 2002. The Texas Higher Education Coordinating Board has determined that the following types of coursework are exempt from this provision: courses that involve different or more advanced content each time they are taken, including but not limited to, individual music lessons, theatre practicum, music performance, ensembles, certain physical education and kinesiology courses, and studio art; independent study courses; and special topics and seminar courses. In accordance with Senate Bill 1782 certain exceptions may apply for students who had 50 semester credit hours successfully completed at an institution of higher education before a 24 month break in enrollment.

Students will be assessed an additional tuition charge of $150 per semester credit hour for courses taken at MSU for the third (or more) time since Fall semester 2002.

TUITION FOR EXCESS HOURS BEYOND DEGREE REQUIREMENTS

The Texas Legislature established that universities will not receive funding for students entering higher education in Fall 1999 or later who exceed 45 semester hours above the degree requirements. For students entering Fall 2006, this limit is 30 hours above the degree requirements. Effective Spring 2013, the Board of Regents has determined that MSU will assess an additional tuition charge of $150 per semester credit hour for excess semester credit hours in which students enroll above these limits. To avoid being charged extra tuition, students should be aware of the number of credit hours required for their degree programs and avoid taking excess hours. Numerous drops, withdrawals, and changes of degree programs can also affect this status. In accordance with Senate Bill 1782 certain exceptions may apply for students who had 50 semester credit hours successfully completed at an institution of higher education before a 24 month break in enrollment.
## Payment for Change of Schedule

All charges for classes added during the drop/add period following registration are due and payable to the Business Office at the time the class is added. **Students will not receive a bill.** Failure to pay for added classes may result in all classes being voided if the total tuition and fees are not paid in full or if the student is not on a payment plan. Students voided will be subject to late registration and reinstatement fees. Additionally, unpaid balances from previous semesters that are not paid by 5:00 p.m., Monday, February 3, 2020, will result in Spring 2020 classes being voided. (Winter Mini-Term courses must be paid for by December 16, 2019, at 4:00 p.m., or classes will be voided.) Students claiming lack of knowledge of payment deadlines, not checking email, or not keeping updated email addresses will not be given special consideration.

## Scholarships

A student who has been awarded an MSU scholarship will have the full amount of the scholarship applied as an account credit toward payment of tuition and fees AFTER the student has accepted the scholarship award in WebWorld. If a scholarship has been awarded from an outside organization, MSU must receive the check before credit will be applied to the student account; otherwise, the student should be prepared to make the required payment at the time of registration and will be reimbursed when the scholarship check is received. If the scholarship is not available at registration, check with the person, program, or organization awarding the scholarship.

## Payment/Billing Information

⭐ Students can make payments 24 hours a day, 7 days per week by logging into my.msutexas.edu and clicking on the Touchnet link. The Business Office encourages students to pay their accounts and print their receipts online. This is an immediate posting to the account and eliminates the need for standing in line.

FINANCIAL INFORMATION CONTINUED

FINANCIAL AID

A student who has been approved to receive grants, scholarships, and/or loans will have these funds electronically applied to tuition and fee expenses (and on-campus room and board, if applicable) AFTER the student has accepted the awards in MSU’s Portal.

Grants, scholarships, and/or student loans cannot be applied to a student's account any more than 10 days prior to the beginning of the first class day of the semester. If there are any “excess funds” after grants, scholarships, and/or loans have paid the University account, a refund will be issued by the MSU Business Office. STUDENTS ARE ENCOURAGED TO COMPLETE THE ACH (AUTOMATED CLEARING HOUSE) PROCESS, AVAILABLE BY LOGGING INTO my.msutexas.edu AND CLICKING ON THE TOUCHNET LINK, TO HAVE REFUNDS ELECTRONICALLY DEPOSITED INTO THEIR BANK ACCOUNTS. IF STUDENTS HAVE ALLOWED AMPLE TIME TO RECEIVE THEIR REFUNDS (AS DETAILED BELOW) BUT STILL HAVE NOT RECEIVED THE REFUND, PLEASE CONTACT THE MSU BUSINESS OFFICE AT bus.office@msutexas.edu or call 940-397-4101.

- Students registering during the University’s Early Registration period can anticipate that refunds will be deposited into their bank accounts within 3-5 business days after Financial Aid is applied to their student accounts. All other refunds will be mailed.
- Students registering during the University’s Regular Registration period can anticipate that refunds will be deposited into their bank accounts within 3-5 business days after Financial Aid is applied to their student accounts. All other refunds will be mailed.
- If grants and/or loans are approved and processed AFTER the Regular Registration period, the refunds will be deposited into their bank accounts within 3-5 business days after Financial Aid is applied to their student students. All other refunds will be mailed.

A student may be required to return all or a portion of a refund if withdrawing from the University, dropping a class(es), if administratively withdrawn, or if voluntarily ceasing attendance at ALL of classes during any of the following periods:

- On/before the official enrollment date (12th day for Spring semester).
- During the withdrawal refund period (see page 15).
- Prior to completing more than 60% of the enrollment period.

Also, adjustments may be made to grants and/or loans for students who are “Instructor Dropped” from class(es) or if it is deemed necessary for the University to cancel a class(es). Additionally, grants and/or loans will be totally cancelled for students who invalidate registration or never attend ANY of their classes.

Contact the Financial Aid Office at (940) 397-4214 or e-mail financial-aid@msutexas.edu for additional details.

IMPORTANT: If financial aid (grants, scholarships, and/or loans) does not pay the total account balance due in full, students MUST pay the balance in full, have an ETFL contract, or an Installment contract with one-third (1/3) of the total account balance paid by the due dates on page 10 or registration will be voided. Students with balances from previous semesters must contact the Business Office at 940-397-4100. Students with classes voided for non-payment and/or no payment plans are subject to late registration and reinstatement fees. Information regarding MSU payment plans is available at http://msutexas.edu/busoffice/payment-of-fees.php. NOTE: Changing student status between undergraduate, graduate, or post-baccalaureate can affect eligibility for financial aid. It is the students’ responsibility to check their aid eligibility before changing their statuses.

NOTE: Even if a student has applied the 1/3 payment to the account, as indicated above, the student MUST also complete the Installment contract online (http://msutexas.edu/busoffice/payment-of-fees.php) or the ETFL contract at the Business Office or classes will be voided.
VETERANS AFFAIRS, TUITION/RESIDENCY DETERMINATION, AND DROP LIMIT

VETERANS AFFAIRS

Students who intend to use VA Educational Benefits and/or the Hazlewood Act Exemption must contact the MSU VA Office (Hardin South, Room 100) each term to complete a Benefit Request Form. Students must provide all supporting documentation for the benefit for which they intend to use prior to requests being certified to the VA. Benefit Request Forms can be filled out in person in the MSU VA Office or online at http://www.msutexas.edu/registrar/veterans. Benefit Request Forms should be submitted after registering for classes and no later than three weeks prior to the start of the semester.

Students who are using VA benefits must contact the MSU VA Office if dropping, adding, or withdrawing from courses. Students who fail to notify the MSU VA Office of changes risk incurring substantial debts to the VA. Students receiving Chapter 30, 35, 1606, partial 33, and Hazlewood benefits should be aware that monthly VA payments will not be received prior to the start of the semester and should make financial arrangements with the business office to cover costs.

Questions may be addressed to the MSU Veterans Affairs Office at (940) 397-4305/4306 or veterans.affairs@msutexas.edu.

TUITION/RESIDENCY DETERMINATION

Tuition is assessed on the basis of in-state or out-of-state residency as determined by state law. Generally, an independent person or parents of dependent students must reside in Texas for one full year prior to the semester in which they are enrolling to establish residence for tuition purposes. Military personnel, stationed in Texas, and their dependents are entitled to waivers of the out-of-state fees. A verification of active duty form must be presented to the Business Office for each semester of attendance.

U.S. Non-Texas Residents and Oklahoma Tuition - The Texas Higher Education Coordinating Board authorized Midwestern State University to charge all U.S. non-Texas and non-Oklahoma residents the Texas in-state tuition rate, plus an additional $65 per semester credit hour. Oklahoma residents are charged the Texas in-state rate, plus an additional $30 per semester credit hour. Additionally, residents of Oklahoma counties that border Texas may be charged in-state tuition without the extra $30 per semester credit hour. These counties are: Beaver, Beckham, Bryan, Choctaw, Cimarron, Cotton, Ellis, Harmon, Jackson, Jefferson, Love, Marshall, McCurtain, Roger Mills, Texas, and Tillman.

Many waivers for special tuition rates must be placed after the student enrolls for classes, but usually this is within a 48-hour time period.

Residence reclassification requests or questions concerning eligibility for Texas residency status for undergraduate students should be directed to MSU Admissions at 940-397-4334 or 1-800-842-1922. Residence reclassification requests or questions concerning eligibility for Texas residency status for graduate students should be directed to the Graduate Admissions Office at 940-397-4920. Reclassification requests must be initiated by the students as residence status changes are not made automatically.

Registering under the proper residency classification is the responsibility of the student. Reclassification requests must be made prior to the 12th class day for the Spring semester (February 3, 2020) or students will be charged under the existing classification. It is to the student’s advantage to resolve questions prior to registration to avoid delays and possible overpayment or underpayment of fees.

STATE LIMITATION ON DROPPED COURSES

Under section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education.” This statute applies to students who enroll in a public institution of higher education as first-time freshmen in Fall 2007 or later. Any course that a student drops is counted toward the six-course limit if: (1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution.” Some exemptions for good cause could allow a student to drop a course without having it counted toward this limit, but it is the responsibility of the student to establish that good cause. In accordance with Senate Bill 1782 certain exceptions may apply for students who had 50 semester credit hours successfully completed at an institution of higher education before a 24 month break in enrollment.

Exemptions include the following:
1. Severe illness or debilitating condition preventing completion of course
2. Responsible for caring for a sick, injured, or needy person
3. Death of close family member
4. Active duty service in US Armed Forces or National Guard, or that of an immediate family member
5. Change in student’s work schedule beyond control of student
6. Other good cause determined by the institution

SERVICES FOR STUDENTS WITH DISABILITIES

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities.

After notification of acceptance from MSU Texas, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to http://www.msutexas.edu/student-life/disability.

WRITING PROFICIENCY REQUIREMENT

Baccalaureate degree candidates at Midwestern State University must meet the Writing Proficiency Requirement either by passing the Writing Proficiency Examination or by taking ENGL 2113. The test must be taken upon completion of at least 60 hours and before completion of 90 hours to avoid delay of graduation and/or a registration hold being set. Students must successfully complete the six hours of the Communication core requirement before attempting this examination.

The Writing Proficiency Office will offer students the option of taking the Writing Proficiency Exam in a computer lab; students who prefer to handwrite their exams will still be able to do so. Multiple sessions will be available March 3 – 7, 2020; students will select a specific date, time, and format when they pay for the exam. The non-refundable $25 test fee must be paid through the online payment system at http://www.msutexas.edu/academics/wpr. Students will bring the payment confirmation, a picture I.D., and a pen to the testing site.

Distance education students have the option to take an online proctored Writing Proficiency Exam February 24 - 27, 2020. Students must apply and be approved by our office to take the exam away from the Wichita Falls campus. Applications open on Monday, January 13, 2020.

The Writing Proficiency Examination and the ENGL 2113 Intermediate Composition & Grammar course are described at the Office of Writing Proficiency website: http://www.msutexas.edu/academics/wpr. The website also provides preparation materials. Call the Office of Writing Proficiency at (940) 397-4131 for additional information.

STUDENT AND GENERAL PUBLIC AUDIT OF A CLASS

Individuals desiring to audit a class which does not have a lab may do so with approval of the instructor and payment of a fee of $25.00 per class. Audit approval cards are available at the College or department offices during registration. Laboratory, skills, and distance education/web technology courses are not available to auditors.

Senior citizens 65 years of age or older may audit most of the courses offered by MSU without the payment of a fee if space is available. In order to determine the “space availability,” permission to audit without a fee for senior citizens will be handled during late registration only. Proof of age is required for the fee waiver (driver’s license, voter registration, birth certificate, etc.).

Parking permit is required if vehicles are to be parked on campus streets and/or parking lots. MSU faculty and staff have separate audit policies. See MSU Policy 3.312.

Important: NO record is kept of audit classes, and no credit is earned. Click here for more information.

Students whose name, home address, local college address, email address, or any other pertinent information changes after initial registration at Midwestern State University must notify the Office of the Registrar, the Business Office, Financial Aid Office, MSU Admissions, Dr. Billie Doris McAda Graduate School, and the Library.
