Aside from the student track, a separate program is tailored for parents, guardians, and guests. Information on registration for Early Orientation will be sent beginning March 2019 to eligible newly admitted Summer II and Fall students.

ORIENTATION FOR NEW DISTANCE LEARNING STUDENTS

All new undergraduate students are required to complete an orientation session. For distance learning students who are in distance programs and will be taking distance education courses only, MSU Texas provides an online orientation. TESTING REQUIREMENTS

Testing Services (940) 397-4676

TEXAS SUCCESS INITIATIVE (TSI)

The Texas Success Initiative (TSI) is a program which was developed by the 78th Texas State Legislature under which all undergraduate students (unless exempt*) must be tested for reading, writing, and mathematics skills prior to enrolling in any college-level course(s).

The TSI test for new students (or transfer students from private or out-of-state colleges) is the TSI Assessment.

[The *former* TSI tests of Accuplacer, Asset, Compass, or THEA/TASP, may still be able to be used for TSI purposes for former MSU students or transfer students from Texas public colleges who tested *prior to* August 24, 2013. Official scores should be sent to the MSU Registrar's Office for determination.]

Students who fail a section(s) of a TSI test are required to enroll in developmental course(s) in that area. Some students may qualify for a Non-Course Based Option (NCBO), depending on score levels. Students can contact the Math or English departments for more details if interested in the NCBO option.

IMPORTANT! Students who do not have scores on file will not be allowed to register unless TSI exempt*. Therefore, students required to test should schedule an appointment for the TSI Assessment as soon as possible so that scores will be available in time for advising and registration. (Note: Students needing to take the TSI Assessment must first complete a Pre-Assessment Activity which can be found at: <https://secure.msutexas.edu/registrar/paa/slides.asp> -- **must view through Google Chrome or Firefox browsers**)

Already taken the TSI Assessment elsewhere? Complete the online [TSI Assessment Score Release Form](#) for us to download your TSI scores.

*TSI exemptions and additional information can be found at <http://www.msutexas.edu/registrar/success>.

NOTE: TSI policies are subject to change due to action of the Legislature, Texas Higher Education Coordinating Board, and/or MSU Academic Council.

TSI students will be advised of their requirements by their academic advisors.

ACT and SAT TESTS

ACT and SAT tests must be taken by **BEGINNING FRESHMEN** under the age of 21 who have not previously submitted official ACT or SAT test scores with essay to MSU. **TRANSFER STUDENTS** under the age of 21 who have fewer than 18 non-developmental semester hours earned must also submit ACT or SAT scores with essay. ALTERNATIVES TO THE SCHEDULED TIME REGISTERING BEFORE THE SCHEDULED TIME IS NOT PERMITTED!

Students should make arrangements in their personal or work schedules to allow them to conveniently register at their scheduled times. Students who cannot register at the time indicated may register at any time after their classification has passed, when registration is open. **REGISTRATION BEFORE THE CLASSIFICATION SCHEDULE IS NOT PERMITTED AND MISSING CLASS TO REGISTER IS CONSIDERED AN UNEXCUSED ABSENCE.**

Students may have another person register for them at their scheduled times if that is more convenient. Any person registering for another is required to pay the appropriate fees and have all necessary documents: validated MSU I.D. card, Mustangs I.D. number, driver's license, and advisor-approved schedule. **CAUTION:** To protect student privacy, PIN numbers should not be released to another person.

Concurrent Enrollment in Two Colleges or Universities

Students who will be enrolled at MSU and another college during the same term must complete the Request for Concurrent Enrollment form at <http://www.msutexas.edu/registrar/concurrent>. It is necessary for the tracking of satisfactory academic progress and the transferability of these courses back to MSU. An official transcript of all concurrent coursework must be sent to MSU immediately upon completion. Application for this program should be made by completing this form well in advance of registration because circumstances appropriate for concurrent enrollment are at the discretion of the advisor, chair, and dean.

Students who do not check with their degree program in advance of enrolling to see if credit is applicable to the degree risk taking courses for which no credit may be given. It is especially important to check with Leah Hickman in Admissions or Cathy Hoffman in the Office of the Registrar before enrolling in a Political Science or Government course.

SENATE BILL 1210

Effective **Fall 2014**, the Texas Legislature passed Senate Bill 1210 which requires Texas state exemption and/or waiver recipients to meet MSU's Financial Aid Satisfactory Academic Progress (SAP) requirements and for males to have met selective service registration requirement. These SAP requirements include:

- A cumulative grade point average (CGPA) for Undergraduate and 2nd Baccalaureate must be 2.0, Graduate must be 3.0, and Teacher Certification must be 2.5; AND
- if you are in Excess Hours status, you may not be eligible for some exemptions.

If your Cumulative GPA is not meeting the SAP requirement, as indicated above, and/or you have exceeded the excess hours rule, you will not be eligible to receive your exemption and/or waiver for the Summer 2019 terms.

SB 1210 Appeal form:

<http://www.msutexas.edu/Assets/documents/busoffice/SAPAppeal.pdf>

Fees are subject to change in keeping with actions of the Texas State Legislature and/or the Midwestern State University Board of Regents.

TUITION FOR REPEATED HOURS

Following action by the 78th Texas Legislature, universities no longer receive formula funding for semester credit hours attempted by a student who has enrolled in any course(s), other than non-degree-credit developmental course(s), containing the same content three or more times since the Fall semester 2002. The Texas Higher Education Coordinating Board has determined that the following types of coursework are exempt from this provision: courses that involve different or more advanced content each time they are taken, including but not limited to, individual music lessons, theater practicum, music performance, ensembles, certain physical education and kinesiology courses, and studio art; independent study courses; and special topics and seminar courses. In accordance with Senate Bill 1782 certain exceptions may apply for students who had 50 semester credit hours successfully completed at an institution of higher education before a 24 month break in enrollment.

Students will be assessed an additional tuition charge of \$150 per semester credit hour for courses taken at MSU for the third (or more) time since Fall semester 2002.

TUITION FOR EXCESS HOURS BEYOND DEGREE REQUIREMENTS

The Texas Legislature established that universities will not receive funding for students entering higher education in Fall 1999 or later or who exceed 45 semester hours above the degree requirements. For students entering Fall 2006, this limit is 30 hours above the degree requirements. Effective Spring 2013, the Board of Regents has determined that MSU will assess an additional tuition charge of \$150 per semester credit hour for excess semester credit hours in which students enroll above these limits. To avoid being charged extra tuition, students should be aware of the number of credit hours required for their degree programs and avoid taking excess hours. Numerous drops, withdrawals, and change of degree programs can also affect this status. In accordance with Senate Bill 1782 certain exceptions may apply for students who had 50 semester credit hours successfully completed at an institution of higher education before a 24 month break in enrollment.

ALL CHARGES ARE SUBJECT TO CORRECTION IF NECESSARY FOLLOWING AUDIT.

SCHOLARSHIPS

A student who has been awarded an MSU scholarship will have the full amount of the scholarship applied as an account credit toward payment of tuition and fees AFTER the student has accepted the scholarship award in [WebWorld](#). If a scholarship has been awarded from an outside organization, MSU must receive the check before credit will be applied to the student account; otherwise, the student should be prepared to make the required payment at the time of registration and will be reimbursed when the scholarship check is received. If the scholarship is not available at registration, check with the person, program, or organization awarding the scholarship.

PAYMENT/BILLING INFORMATION

★ Students can make payments 24 hours a day, 7 days per week by logging into my.msutexas.edu and clicking on the Touchnet link. The Business Office encourages students to pay their accounts and print their receipts online. This is an immediate posting to the account and eliminates the need for standing in line.

FINANCIAL INFORMATION CONTINUED

FINANCIAL AID

A student who has been approved to receive grants, scholarships, and/or loans will have these funds electronically applied to tuition and fee expenses (and on-campus room and board, if applicable) AFTER the student has accepted the awards in [MSU's Portal](#).

Grants, scholarships, and/or student loans cannot be applied to a student's account any more than 10 days prior to the beginning of the first class day of the semester. If there are any "excess funds" after grants, scholarships, and/or loans have paid the University account, a refund will be issued by the **MSU Business Office**. STUDENTS ARE ENCOURAGED TO COMPLETE THE ACH (AUTOMATED CLEARING HOUSE) PROCESS, AVAILABLE BY LOGGING INTO my.msutexas.edu AND CLICKING ON THE TOUCHNET LINK, TO HAVE REFUNDS ELECTRONICALLY DEPOSITED INTO THEIR BANK ACCOUNTS. If students have allowed ample time to receive their refunds (as detailed below) but still have not received the refund, PLEASE CONTACT THE MSU BUSINESS OFFICE at bus.office@msutexas.edu or call 940-397-4101.

- Students registering during the University's **Early Registration** period can anticipate that refunds will be deposited into their bank accounts within 3-5 business days after Financial Aid is applied to their student accounts. All other refunds will be mailed.
- Students registering during the University's **Regular Registration** period can anticipate that refunds will be deposited into their bank accounts within 3-5 business days after Financial Aid is applied to their student accounts. All other refunds will be mailed.
- If grants and/or loans are approved and processed **AFTER the Regular Registration** period, the refunds will be deposited into their bank accounts within 3-5 business days after Financial Aid is applied to their student students. All other refunds will be mailed.

A student may be required to return all or a portion of a refund if withdrawing from the University, dropping a class(es), if administratively withdrawn, or if voluntarily ceasing attendance at ALL of classes during any of the following periods:

- On/before the official enrollment date (4th day for summer terms).
- During the withdrawal refund period (see [page 14](#)).
- Prior to completing more than 60% of the enrollment period.

Also, adjustments may be made to grants and/or loans for students who are "Instructor Dropped" from class(es) or if it is deemed necessary for the University to cancel a class(es). Additionally, grants and/or loans will be totally cancelled for students who invalidate registration or never attend ANY of their classes.

Contact the Financial Aid Office at (940) 397-4214 or email financial-aid@msutexas.edu for additional details.

IMPORTANT: If financial aid (grants, scholarships, and/or loans) does not pay the total account balance due in full, students **MUST** pay the balance in full, have an ETFL contract, or an Installment contract with one-half (1/2) of the total account balance paid by the due dates on [page 9](#) or registration will be voided. May mini-term courses must be paid for by May 13, or classes will be voided. Students with balances from previous semesters must contact the Business Office at 940-397-4100. Students with classes voided for non-payment and/or no payment plans are subject to late registration and reinstatement fees. Information regarding MSU payment plans is available at <http://www.msutexas.edu/busoffice/paymentplans>. NOTE: Changing student status between undergraduate, graduate, or post-baccalaureate can affect eligibility for financial aid. It is the students' responsibility to check their aid eligibility before changing their statuses.

NOTE: Even if a student has applied the 1/2 payment to the account, as indicated above, the student **MUST** also complete the Installment contract online (<http://www.msutexas.edu/busoffice/paymentplans>) or the ETFL contract at the Business Office or classes will be voided.

VETERANS AFFAIRS, TUITION/RESIDENCY DETERMINATION, DROP LIMIT, AND TEXTBOOK LINK

VETERANS AFFAIRS

Students who intend to use VA Educational Benefits and/or the Hazlewood Act Exemption must contact the MSU VA Office (Hardin South, Room 100) each term to complete a Benefit Request Form. Students must provide all supporting documentation for the benefit for which they intend to use prior to requests being certified to the VA. Benefit Request Forms can be filled out in person in the MSU VA Office or online at <http://www.msutexas.edu/registrar/veterans>. Benefit Request Forms should be submitted after registering for classes and no later than three weeks prior to the start of the semester.

Students who are using VA benefits must contact the MSU VA Office if dropping, adding, or withdrawing from courses. Students who fail to notify the MSU VA Office of changes risk incurring substantial debts to the VA. Students receiving Chapter 30, 35, 1606, partial 33, and Hazlewood benefits should be aware that monthly VA payments will not be received prior to the start of the semester and should make financial arrangements with the business office to cover costs.

Questions may be addressed to the MSU Veterans Affairs Office at (940) 397-4305/4306 or veterans.affairs@msutexas.edu.

TUITION/RESIDENCY DETERMINATION

Tuition is assessed on the basis of in-state or out-of-state residency as determined by state law. Generally, an independent person or parents of dependent students must reside in Texas for one full year prior to the semester in which they are enrolling to establish residence for tuition purposes. **Military personnel, stationed in Texas, and their dependents are entitled to waivers of the out-of-state fees. A verification of active duty form must be presented to the Business Office for each semester of attendance.**

U.S. Non-Texas Residents and Oklahoma Tuition - The Texas Higher Education Coordinating Board authorized Midwestern State University to charge all U.S. non-Texas and non-Oklahoma residents the Texas in-state tuition rate, plus an additional \$65 per semester credit hour. Oklahoma residents are charged the Texas in-state rate, plus an additional \$30 per semester credit hour. Additionally, residents of Oklahoma counties that border on Texas may be charged in-state tuition without the extra \$30 per semester credit hour. These counties are: Beaver, Beckham, Bryan, Choctaw, Cimarron, Cotton, Ellis, Harmon, Jackson, Jefferson, Love, Marshall, McCurtain, Roger Mills, Texas, and Tillman.

Many waivers for special tuition rates must be placed after the student enrolls for classes, but usually this is within a 48-hour time period.

Residence reclassification requests or questions concerning eligibility for Texas residency status for undergraduate students should be directed to MSU Admissions at 940-397-4334 or 1-800-842-1922. Residence reclassification requests or questions concerning eligibility for Texas residency status for graduate students should be directed to the Graduate Admissions Office at 940-397-4920. Reclassification requests must be initiated by the students as residence status changes are not made automatically.

Registering under the proper residency classification is the responsibility of the student. Reclassification requests must be made prior to the 4th class day for the summer terms (June 6 for Summer I; July 11 for Summer II) or students will be charged under the existing classification. It is to the student's advantage to resolve questions prior to registration to avoid delays and possible overpayment or underpayment of fees.

STATE LIMITATION ON DROPPED COURSES

Under section 51.907 of the Texas Education Code, "an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education." This statute applies to students who enroll in a public institution of higher education as first-time freshmen in Fall 2007 or later. Any course that a student drops is counted toward the six-course limit if: "(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student's transcript indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution." Some exemptions for good cause could allow a student to drop a course without having it counted toward this limit, but it is the responsibility of the student to establish that good cause. In accordance with Senate Bill 1782 certain exceptions may apply for students who had 50 semester credit hours successfully completed at an institution of higher education before a 24 month break in enrollment.

Exemptions include the following:

1. Severe illness or debilitating condition preventing completion of course
2. Responsible for caring for a sick, injured, or needy person
3. Death of close family member
4. Active duty service in US Armed Forces or National Guard, or that of an immediate family member
5. Change in student's work schedule beyond control of student
6. Other good cause determined by the institution

WRITING PROFICIENCY REQUIREMENT

Baccalaureate degree candidates at Midwestern State University must meet the Writing Proficiency Requirement either by passing the Writing Proficiency Examination or by taking ENGL 2113. The test must be taken **upon the completion of at least 60 hours and before completion of 90 hours** to avoid delay of graduation and/or a registration hold being set. Students **must successfully complete** the six hours of the Communication core requirement before attempting this examination.

During the second semester of Summer 2019, the Writing Proficiency Office will offer students the option of taking the Writing Proficiency Exam in a computer lab; students who prefer to handwrite their exams will still be able to do so. Sessions will be available on **July 11 and July 13, 2019**; students will select a specific date, time, and format when they pay for the exam. The non-refundable \$25 test fee must be paid through the online payment system at <http://www.msutexas.edu/academics/wpr>. Students will bring the payment confirmation, a picture I.D., and a pen to the testing site.

Distance education students have the option to take an online proctored Writing Proficiency Exam June 24 – 27, 2019. Students must apply and be approved by our office to take the exam away from the Wichita Falls campus. Applications open on Monday, May 20, 2019.

The Writing Proficiency Examination and the ENGL 2113 Intermediate Composition & Grammar course are described at the Office of Writing Proficiency website: <http://www.msutexas.edu/academics/wpr>. The website also provides preparation materials. Call the Office of Writing Proficiency at (940) 397-4131 for additional information.
