TESTING REQUIREMENTS

Testing Services (940) 397-4676

TEXAS SUCCESS INITIATIVE (TSI)

The Texas Success Initiative (TSI) is a program which was developed by the 78th Texas State Legislature under which all undergraduate students (unless exempt*) must be tested for reading, writing, and mathematics skills prior to enrolling in any college-level course(s).

The TSI test for new students (or transfer students from private or out-of-state colleges) is the TSI Assessment.

[The *former* TSI tests of Accuplacer, Asset, Compass, or THEA/TASP, *may* still be able to be used for TSI purposes for former MSU students or transfer students from Texas public colleges who tested *prior to* August 24, 2013. Official scores should be sent to the MSU Registrar's Office for determination.]

Students who fail a section(s) of a TSI test are required to enroll in developmental course(s) in that area. Some students may qualify for a Non-Course Based Option (NCBO), depending on score levels. Students can contact the Math or English departments for more details if interested in the NCBO option.

IMPORTANT! Students who do not have scores on file will not be allowed to register unless TSI exempt*. Therefore, students required to test should schedule an appointment for the TSI Assessment as soon as possible so that scores will be available in time for advising and registration. **Pre-Assessment Activity (PAA):** Students who must take the TSI Assessment (TSIA2) are first required to complete the online Pre-Assessment Activity. Before taking the PAA, make sure you know your TSI status and if you are required to test and for which sections. The PAA is seamlessly integrated into the Accuplacer Practice Application (Practice App). Students should go here <https://practice.accuplacer.org/login> to register for the Practice App and complete the PAA. You will receive a completion certificate when you have finished the PAA, that you will need to provide to your test administrator.

Already taken the TSI or TSIA2 Assessment elsewhere? Send an email with your full name, MSU ID number, and date of birth to admissions@msutexas.edu and we will search the online database for your scores. (NOTE: Do not email if you tested at Midwestern State University.)

*TSI exemptions and additional information can be found at <https://msutexas.edu/registrar/success>.

NOTE: TSI policies are subject to change due to action of the Legislature, Texas Higher Education Coordinating Board, and/or MSU Academic Council.

TSI students will be advised of their requirements by their academic advisors.

ACT and SAT TESTS

ACT and SAT tests must be taken by **BEGINNING FRESHMEN** under the age of 21 who have not previously submitted official ACT or SAT test scores with essay to MSU. **TRANSFER STUDENTS** under the age of 21 who have fewer than 18 non-developmental semester hours earned must also submit ACT or SAT scores with essay. Students 21 years of age or over must take the ACT or SAT with essay if they do not meet other admission requirements. Testing should be completed prior to the admission application deadline of May 1 (Summer I) and June 1 (Summer II).

SAT: <https://msutexas.edu/testing/sat>

ACT: <https://msutexas.edu/testing/act>

PROFICIENCY EXAMS

Proficiency exams are optional tests to gain credit in specific courses. Students pay the \$35.00 fee at the Business Office and take the receipt, a picture ID, and pens or pencils to the testing site. The credit will be posted upon completion of 9 hours at MSU.

Concurrent Enrollment in Two Colleges or Universities

Students who will be enrolled at MSU and another college during the same term must complete the Request for Concurrent Enrollment form at <https://msutexas.edu/registrar/concurrent>. It is necessary for the tracking of satisfactory academic progress and the transferability of these courses back to MSU. An official transcript of all concurrent coursework must be sent to MSU immediately upon completion. Application for this program should be made by completing this form well in advance of registration because circumstances appropriate for concurrent enrollment are at the discretion of the advisor, chair, and dean.

Students who do not check with their degree program in advance of enrolling to see if credit is applicable to the degree risk taking courses for which no credit may be given. It is especially important to check with Leah Hickman in Processing and Operations or Cathy Hoffman in the Office of the Registrar before enrolling in a Political Science or Government course.

VETERANS AFFAIRS

Students who intend to use VA Educational Benefits and/or the Hazlewood Act Exemption must contact the MSU VA Office (Hardin South, Room 100) each term to complete a Benefit Request Form. Students must provide all supporting documentation for the benefit for which they intend to use prior to requests being certified to the VA. Benefit Request Forms can be filled out in person in the MSU VA Office or online at <https://msutexas.edu/registrar/veterans>. Benefit Request Forms should be submitted after registering for classes and no later than three weeks prior to the start of the semester.

Students who are using VA benefits must contact the MSU VA Office if dropping, adding, or withdrawing from courses. Students who fail to notify the MSU VA Office of changes risk incurring substantial debts to the VA. Students receiving Chapter 30, 35, 1606, partial 33, and Hazlewood benefits should be aware that monthly VA payments will not be received prior to the start of the semester and should make financial arrangements with the business office to cover costs.

Questions may be addressed to the MSU Veterans Affairs Office at (940) 397-4305/4306 or veterans.affairs@msutexas.edu.

REGISTRATION AND OTHER INFORMATION

STATE LIMITATION ON DROPPED COURSES

Under section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education.” This statute applies to students who enroll in a public institution of higher education as first-time freshmen in Fall 2007 or later. Any course that a student drops is counted toward the six-course limit if: “(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution.” Some exemptions for good cause could allow a student to drop a course without having it counted toward this limit, but it is the responsibility of the student to establish that good cause. In accordance with Senate Bill 1782 certain exceptions may apply for students who had 50 semester credit hours successfully completed at an institution of higher education before a 24 month break in enrollment.

Exemptions include the following:

1. Severe illness or debilitating condition preventing completion of course
2. Responsible for caring for a sick, injured, or needy person
3. Death of close family member
4. Active duty service in US Armed Forces or National Guard, or that of an immediate family member
5. Change in student’s work schedule beyond control of student
6. Other good cause determined by the institution

CHANGE OF ADDRESS

Students whose name, home address, local college address, email address, or any other pertinent information changes after initial registration at Midwestern State University must notify the Office of the Registrar, the Business Office, Financial Aid Office, MSU Admissions, Dr. Billie Doris McAda Graduate School, and the Library. Student employees must also notify the Human Resources Office and the Payroll Office. International students must also notify the Global Education Office in Bridwell Hall, Room 107.

Note: Students may also change an address on the WebWorld site at <https://login.msutexas.edu>.

INTERNET AND INTERNET HYBRID COURSES

Internet and internet hybrid courses may be found in the schedule of classes within the appropriate department area. They are easily identified by having an X in the section number.

Instructions for internet courses can be found at <https://msutexas.edu/>, then click on the Online Courses (D2L) link. A list of all internet courses for Summer 2022 can be found at <https://msutexas.edu/registrar/schedule/summer>.

International students on F-1 Visas may not be enrolled primarily in internet courses in any given semester. Students should consult the Designated School Official (DSO) in the Global Education Office in Bridwell Hall, Room 107, or at dso@msutexas.edu, well in advance of each semester to ensure that they are compliant.
