

Let Navigate help!

Why should students use Navigate? To make college life less complicated!

- ◆ Set up appointments with your academic advisor.
- ◆ Stay on track to achieve your goal from Day #1 through Graduation.
- ◆ Always know what you need to do and when you need to do it.

Download Navigate Student on your app store today. Or, visit msutexas.edu/navigate for more information.

A photograph of two young women in a rowing team on a lake. They are wearing red life jackets and are in a wooden rowing shell. The woman in the foreground is using a yellow oar. The background shows a calm lake and a distant shoreline.

Finding your way @MSUTexas?
