Subject: Chief Executive Officer Reporting Under Texas Education Code § 51.253(c)

Under the Texas Education Code (TEC), Section 51.253(c), the institution’s Chief Executive Officer (CEO) is required to submit an annual report to the institution’s governing body and post on the university’s website a report concerning the reports received by employees under the TEC, Section 51.252 when the type of incident described in the employee’s report constitutes “sexual harassment,” “sexual assault,” “dating violence,” or “stalking” as defined in the TEC, Section 51.251, and any disciplinary actions taken under TEC, Section 51.255.

For the purposes of complying with these reporting requirements, the attached summary data report¹ (Appendix A) includes all of the required reporting information to the Texas Tech University System Board of Regents for the 2022-2023 academic year through August 31, 2023. The summary data report is categorized based on the reporting requirements under TEC, Section 51.253(c). The reports received may be applicable in multiple reporting categories, and therefore, the summary data in the categories may not add up to the totals of other categories.

The summary data report is also posted on the Midwestern State University website as per the public reporting requirements under TEC, Section 51.253(c) at <https://msutexas.edu/titleix/annual-reports.php>.

Note: Any additional reports received by the Title IX Coordinator that do not meet the required reporting criteria in the Texas Education Code have been omitted for the compliance purposes of this specific report.

¹ When identifiable, duplicate reports were consolidated and counted as one report in the summary data, and confidential employee reporting is noted as a sub-set to the total number of reports received.
