THE NEW CENTURY STRATEGIC INITIATIVES
BUILDING BRIDGES TO A VIBRANT FUTURE FOR MSU

Welcome to Midwestern State University’s New Century Strategic Initiative, the bridge from historic excellence to future opportunity.

Bridges are engineering marvels that lift us above turbulent waters or difficult terrain. They link one place to another, one person to their neighbor. They are things of beauty in the physical world and strong vehicles for relationships in emotional terms. Bridges can be designed, built, but also repaired. In music a bridge can move us from one melody to another, from one key to the next. A bridge’s span can suspend us, give us the pause necessary for transition. It is completely right to choose a bridge as the symbol for Midwestern State’s planning for its second century. We have described ourselves as a family, a team, a community that depends upon connections. Let’s lean into those things that connect us to each other, to our rich and storied past, to our liberal arts mission, even as we together build bridges into a future filled with promise.

## Summary – Strategic Initiatives to a Strategic Plan

### THE NEW CENTURY STRATEGIC INITIATIVES
BUILDING BRIDGES TO A VIBRANT FUTURE FOR MSU

Welcome to Midwestern State University’s New Century Strategic Initiative, the bridge from historic excellence to future opportunity.

### Bridges

- **Bridges** are engineering marvels that lift us above turbulent waters or difficult terrain. They link one place to another, one person to their neighbor. They are things of beauty in the physical world and strong vehicles for relationships in emotional terms. Bridges can be designed, built, but also required. In music a bridge can move us from one melody to another, from one key to the next. A bridge’s span can suspend us, give us the pause necessary for transition. It is completely right to choose a bridge as the symbol for Midwestern State’s planning for its second century. We have described ourselves as a family, a team, a community that depends upon connections. Let’s lean into those things that connect us to each other, to our rich and storied past, to our liberal arts mission, even as we together build bridges into a future filled with promise.

### Strategy 1: D

**Strategy 1: D**

Establish clearly the mission of the university and develop a comprehensive marketing and branding program that effectively translates that to the expanded region.

**Task 1.** Maintain a university culture that enables every employee to be an ambassador of the university.

**Task 2.** Provide readily available materials for off-campus travel, meetings, promotion, recruitment, welcome packs, etc.

**Task 3.** Continue to enhance our understanding of our institutional climate.

### Strategy 2: A

**Strategy 2: A**

Build upon our well-established reputation for students seeking a full-time, residential, liberal arts experience.

**Task 1.** Increase the university marketing and planning budget from $16,000 to $50,000 for FY17 and increase by 10% annually for next 5 years.

**Task 2.** Increase the marketing use and focus.

**Task 3.** Develop prospective site scenarios.

### Strategy 3: D

**Strategy 3: D**

Deliver education in modes that meet students’ needs and expectations while maintaining affordability. Embrace current technological trends in administration, classrooms, and laboratories, and develop a funding plan to meet those needs.

**Task 1.** Provide assistantships for new students for each core course under one per year by 2016.

**Task 2.** Identify a position office responsible for studying and making recommendations.

**Task 3.** Decrease class size.

### Strategy 4: A

**Strategy 4: A**

Support the Wichita Falls community by providing an educated workforce, stimulating economic development, and serving as a leader in shaping the city’s future.

**Task 1.** Increase 6-year graduation rates by 1% by 2016, 4% by 2020 and 8% by 2022. (2008-10 bachelor of material freshmen of 44%)

**Task 2.** Work with Wichita Falls Chamber of Commerce and industry to increase MSU student personal and professional involvement in the community through increased participation in the credit internships by 3% by 2013. (2016 number of 118)

**Task 3.** Establish a center on campus to set up internship program (career management) to work with businesses wanting the opportunity to work with interns.

**Task 4.** Create a database of available internships by college, for example: website design, business card design, etc. (The Chamber of Commerce has indicated a willingness to assist with such.)
